

HOLY TRINITY CE PRIMARY ACADEMY & NURSERY

Intimate Care Agreement.

In order to best meet the needs of your children when they are with us we would like to set up an individual agreement between parents and the school with regard to intimate care.

Intimate care is any care which involves washing, touching or carrying out an invasive procedure which children are unable to do for themselves arising from the child's stage of development.

Intimate care may involve helping with drinking, eating, dressing, toileting, or comforting. In most cases at school intimate care will involve procedures to do with personal hygiene.

Staff at Holy Trinity providing intimate care are aware of the need to adhere to good Child Protection practice in order to minimise the risks for both the children and themselves. All school staff are supported and trained so that they feel confident in their practice.

Please ensure that your child has spare clothes, nappies and wipes with them when they come to Nursery.
