Clee Class: Summer Term 2 2024.

Welcome to the second half of our Summer Term.

During the last half term, the children enjoyed a visit to the fossil museum, Dinosaur Day, the Sunflower Challenge and Deaf Awareness week. They have planted cress seeds and sunflower seeds. We are continuing to learn about the lifecycle of the butterfly by watching how the caterpillars in class change.

Our Literacy topic this half term will focus on the book 'The Sea Saw' by Tom Percival; alongside this we will be planning learning opportunities from the children's interests. We will be continuing to share a wide range of books, rhymes, poems and songs linked to journeys, travel, precious items and sports day. We will be doing lots of practising ready for our sports day. If you would like to share any ideas for any of the learning we will be doing, we would love to hear from you.

As you know a home learning activity is set every term, this is a project for children to complete at home, alongside family and friends over several weeks. This is designed to further children's learning and understanding of the topic, as well as develop independent learning and interest. For this half term's home learning project, I am setting them the challenge of 'interviewing' a grandparent, relative or family friend about the types of games they played when they were little or to find out what televisions, computers, cameras, cars, children's TV programmes etc used to be like. They can record this in any way they want to; drawing, writing, photographs or items. If you have any items from the past which you could share with us that would be fantastic.

There will be weekly updates on Clee Class page on the school website at the end of each week showing the learning which has taken place.

Our PE day will be on Thursdays. Please can the children come to school wearing their PE kit and bring their uniform to change into.

The children continue to be extremely enthusiastic in their phonics lessons and are enjoying using the new sounds they have learnt across all of the other subject areas. Please may we ask that your child is reading daily at home and is bringing their reading record into school. Please write a comment about how they have read in their reading record.

As a church school, our learning takes place through Christian Values.
If you see your child, or any member of the Holy Trinity community displaying any of our core values, we'd love to hear about it. We will be awarding children who go above and beyond to show our values a special award at the end of each half term.

If you have any questions or concerns about any of the above, please do not hesitate to ask.

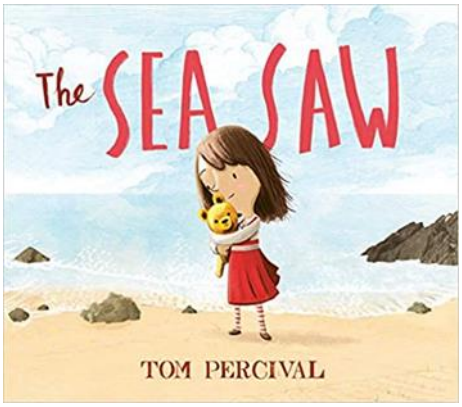

Many thanks,
Mrs Meddins, Mrs Owen, Mrs Dorofte and Mrs Roberts.
