Holy Trinity CE Primary Academy & Nursery

Holy Trinity

C of E Primary Academy and Nursery

SCHOOL ADMISSION POLICY 2026/2027

Admissions Policy

For admissions to the Reception Year application must be made through Shropshire Council by 15th January in the academic year prior to which your child is due to start school. All applications received by this date will be considered and parents will be informed by Shropshire Council on 16th April (or the next working day) if they have been allocated a place for their child. Please see the Parents Guide to Education booklet on the website www.shropshire.gov.uk/schooladmissions and also for details of the admission arrangements.

Admissions Criteria:

Children with a Statement of Special Educational Needs or Education and Health Care Plan which names Holy Trinity C of E Primary Academy will be allocated places, after which places are allocated up to the Published Admission Number of 50 according to an agreed set of criteria in strict order of priority as shown below.

Priority 1: 'Looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear to the school to have been in state care outside of England and ceased to be in state care as a result of being adopted.

2. Children with a medical need that can only be met by attending this school and cannot be met by any other school. (Evidence will be required from a relevant medical professional).

3. Children living inside the designated catchment area will have priority of admission. If there are not enough places for all the children in the catchment area then the following criteria for admission will apply in order:

3a. Priority will be given to children living within the catchment area* who will have a sibling at the school on the day they are due to start school.
3b. After that, priority will be given to other children who live within the catchment area.

*The designated catchment area can be viewed through 'Local View' on the Shropshire Council website www.shropshire.gov.uk.

4. If there are spaces still available after the above criteria have been applied, children living outside the designated catchment area will be offered places according to the following criteria:

4a. Children who will have a sibling at the school on the day they are due to start school.
4b. Children of staff working at the school and of LAC members (Local Academy Committee /Governor) on the day they are due to start school
4c. All other children

Each category will be rank ordered according to the distance from home to school as a straight line measurement.

Notes:

A sibling connection is defined as a brother or sister, step-brother or step-sister, half-brother or half-sister, living at the same address as part of the same family unit and of compulsory school age (i.e. 5 – 16 years). Adopted siblings are also included. Older siblings must be attending the school on the date the younger sibling is due to start there. However, cousins or other relatives/friends who take up residence in a home in order to establish an 'in catchment area' address will not be given priority under the sibling criterion.

For admissions purposes all distances are measured as a straight line distance on a computerised mapping system between the home address and the nearest entrance gate of the relevant school by pinpointing their eastings and northings. The shortest distance being given highest priority. Where two addresses are within the same block of flats, the lowest number of flat nearest the ground floor will be deemed to be the nearest in distance.

Residence in catchment area can only be considered when formal confirmation (e.g. signed tenancy agreement when no property is owned, or exchange of contracts) of the address has been received.

All applicants are required to give correct information about the genuine residential address of the child. Where any information regarding a home address is found to be fraudulent or misleading a school place may be withdrawn even if the child has been admitted to the school.

In the event that two applications are exactly the same after all other criteria have been taken into account a tie breaker will be used. This will be by random allocation and overseen by an independent party not connected with the admissions process.

If unsuccessful on allocation day, Shropshire Council will offer a review as part of the Academy's SLA when the waiting list will be formed from those parents who advise the Admissions Team that they wish to pursue a place at the school. At the end of the review period, parents who have still not been successful in securing a place have the right to appeal against the decision. Parents may remain on the waiting list from the review period onwards.

For the first term of Reception Year Shropshire Council will continue to maintain a waiting list for unsuccessful applicants as part of the Academy's SLA. If any vacancies arise, places will be offered to applicants on the waiting list in strict accordance with normal published oversubscription criteria.

Mid-term or In-Year applications

Mid-term applications will be dealt with using the same admissions criteria given above. To apply for a place other than the start of Reception Year, parents should apply via the Shropshire council online portal. This can be found here: Synergy - Homepage (shropshire.gov.uk).
The process for requesting such admissions is as follows;
With the application, parents should request that the child is admitted to another year group (state which one), and the reasons for that request. Parents will need to submit any evidence in support of their case with the application, for instance from a medical practitioner, headteacher etc.

Some of the evidence a parent might submit could include:

- information about the child's academic, social and emotional development;
- where relevant, their medical history and the views of a medical professional;
- whether they have previously been educated out of their normal age group; and
- whether they may naturally have fallen into a lower age group if it were not for being born prematurely.

Requests for admission out of the normal year group will be considered alongside other applications made at the same time.

If there is a space in the relevant year group a place will be granted. If the application is for a place in an over-subscribed year group then the Headteacher will meet with the Chair of the LAC to consider whether additional places can be offered above the published admission number. Further information on in year transfers can be found here: Changing your child's school (in-year applications) | Shropshire Council.

If a place cannot be offered, parents will receive a formal letter and information on how to appeal against the decision from Shropshire Council's School Admissions Team on our behalf.

Shropshire Council will maintain a waiting list for unsuccessful applicants. If any vacancies arise, places will be offered to applicants included on the waiting list in strict accordance with normal published oversubscription criteria. If a place can be offered the applicant will be expected to take up the place within 6 school weeks or by the start of the next half term, whichever is the earliest date, with the exception of Reception children who have deferred entry until later in the same academic year. If an offer of a place is refused, the name will be removed from the waiting list.

When can my child start school?

Children can attend primary education from the September following their 4th birthday. The law requires that children attend school from the prescribed day4 following their 5th birthday. Parents can request that the date their child is admitted to the school is deferred until later in the school year, or until the child reaches compulsory school age in that year. They can also request that their child attends part-time until they reach compulsory school age. However, the offer of a place cannot be held over until the next academic year.

NB: Children become of compulsory school age on the first prescribed day following their 5th birthday: 31 August, 31 December or 31 March (or on that day if any of these dates are the child's birthday).

Shropshire Council does not offer the option for a child to start primary school before they are eligible.

Deferred Transfers

Children born from 1 April to 31 August – known as summer born children – do not need to start school until the September after their fifth birthday, a year after they could first have started school. Most summer born children start at age 4 with no issues.

Parents of summer born children have two options if they feel their child is not ready to start Reception with their natural cohort. These are outlined below:

Option 1 - Delayed Start
If a parent of a summer born child does start school aged 4, they can, if they wish, agree with the allocated school a pattern of part time attendance or a deferred start until later in that school year for your child. You can discuss this with the school. This will require the parent to apply on-time (by 15 January) using the application process provided by Shropshire Council. Once places are allocated on the 16 April the parent can contact the Headteacher to discuss the delayed start.

Option 2 - Defer for a full year.
If a parent decides their summer born child will start school aged 5 and wants their child to start school in reception (not Year 1), they need to make a request to the school's admission authority. This is called requesting admission out of the normal age group – because children born from 1 September in one year to 31 August the following year are normally educated together in one year group.

The parent will need to submit a form requesting a formal deferral and nursery provision (in the case of Reception deferrals) and primary schools (in the case of Secondary deferrals) will need to complete forms and assessments and submit to The School Admissions Team for processing. Deferral requests ideally need to be submitted no later than the deadlines for the respective transfer groups (15 January for Reception). We do appreciate that in extenuating circumstances, submitting such a request before the closing date does present a challenge. Should this occur, the team will do their best to process prior to the end of the academic year, though there is no guarantee of this.

If parents do not make a request for admission out of the normal age group your child will start school in year 1. Parents should consider the potential impact of missing the reception year. The admission authority makes the decision in the child's best interests. The government believes it is usually not in a child's best interests to miss the teaching that takes place during the reception year, and that it should be rare for a child to start school in Year 1.

It is important to advise a parent that, should their summer born child defer for a year, they will reach school leaving age at the end of year 10, rather than year 11. The school will not ask them to leave, but they will no longer be required by law to attend school and the school may not be able to enforce their attendance. Children usually take their GCSEs in year 11.

Children with special educational needs or a disability

Having special educational needs and disabilities (SEND) does not necessarily mean a child should delay starting school. It may be better for them to start school before compulsory school age so they can access the support available there.

Shropshire Council does not offer the option for a child to start primary school before they are eligible.

Applying for a place out of cohort

The process for requesting such admissions is as follows;

With the application, parents should request that the child is admitted to another year group (state which one), and the reasons for that request. Parents will need to submit any evidence in support of their case with the application, for instance from a medical practitioner, headteacher etc.

Some of the evidence a parent might submit could include:

- information about the child's academic, social and emotional development;
- where relevant, their medical history and the views of a medical professional;
- whether they have previously been educated out of their normal age group; and
- whether they may naturally have fallen into a lower age group if it were not for being born prematurely.

Requests for admission out of the normal year group will be considered alongside other applications made at the same time.

Fair Access

The academy participates in the Local Authority Fair Access Protocol ("FAP"); this covers children that fall in to prescribed categories of vulnerable and/ or hard to place children, where they are having difficulty in securing a school place in-year AND it can be demonstrated that reasonable measures have been taken to secure a place through the usual in-year admission procedures. As this is a separate admissions process required by the School Admissions Code and administered by the Local Authority, where a place has been allocated under the FAP such admissions are made without reference to those on the waiting list and may necessarily take priority over them.

You need to add the following regarding appeals:

Appeals

Holy Trinity CE Primary is required to offer all pupils refused admission the right to an appeal in front of an independent appeals panel. The Academy is responsible for setting up the appeal and must do so in accordance with the School Admission Appeals Code. The panel must be independent of the school. The Trust has arranged for Shropshire Council to administer admissions appeals on its behalf. Parents/carers wishing to appeal should do so via the Shropshire Council Website www.shropshire.gov.uk/schooladmissions Parents must be given at least 10 school days from the date of notification that their application was unsuccessful to lodge an appeal.

Catchment Area Map

Please see below our catchment area map, however parents can access an interactive online map for further details - [General Map Viewer]
