Dear Parents and Carers,

Summer Term 2 Newsletter

Welcome to the second half of our Summer Term. We hope you all had a great half term and enjoyed the wonderful sunshine! We look forward to the children returning and watching them continue to flourish over the next term.

This half term we will be continuing with our new curriculum plan in Starlings, as this has supported our children in so many ways already. We feel the children have already benefited from this curriculum alongside many opportunities for LEX time, with outside exploring being extremely popular! We build in a range of adult led activities in our timetable, where the children are supported in their activities in order to further develop their knowledge and understanding as well as opportunities for independent learning and exploration. Attached is a copy of our Summer Term 2 overview which shows our expected learning goals for the next seven weeks.

Over this half term, we will be holding an official opening ceremony for Starlings. Once we have a new date planned we will let you know. This will be a fantastic opportunity for us to show how beneficial Starlings is for our children and the difference it is making both academically and socially. We will also be organising a Starlings Sports Morning, where you will be invited to join us take part in a range of sporting activities. This date will be shared as soon as possible.

Please do remember that our observation app, Tapestry, is where daily observations and photographs are shared, and there is an option for you to add photos from home. It has been lovely seeing some of the photos shared already, thank you. Likewise, we also use Class Dojo for communication and sharing any school updates with you. If you need any support with login details or accessing these apps, please do ask a member of the Starlings team.

In the meantime, if you have any questions or queries, please do let us know.

Kind regards,

Mrs Thompstone and the Starlings Class team
